

Put your brand and products in front of the most vitally interested and actively attentive audience of architects from across Canada

**CANADIAN
ARCHITECT**

DELIVERING YOUR ADVERTISING MESSAGES DIRECTLY TO YOUR TARGET AUDIENCE COAST-TO-COAST

TOTAL QUALIFIED CIRCULATION: **13,553**

Canadian Architect's national circulation is independently audited and reported regularly by Alliance for Audited Media (AAM) – providing you with impartially verified data imperative for your media buy. Ask your *Canadian Architect* representative for the latest AAM Publisher's Audit Statement.

***Canadian Architect* is the only magazine in Canada exclusively-focused on the architectural profession and has the largest qualified readership. *Canadian Architect* is the leading choice of registered architects in Canada!**

With **13,553** subscribers nationally, *Canadian Architect* has the largest independently audited circulation of any publication serving the architecture community in Canada. When registered architects were asked **which magazine is the most important for the work that they do**, ***Canadian Architect* was selected** by over **87%**!

With more than **83%** of all of our subscribers having requested to receive the magazine, advertisers can be confident they are spending their marketing dollars on advertisements that will be **seen and read by the active influencers and specifiers** of their products. No other publication in Canada comes close to this depth of reader commitment and trust.
