

# BUILD- ING

Urban Development, Architecture & Design, Innovation

## PROVIDING EXCEPTIONAL ACCESS TO PROFESSIONALS THROUGHOUT CANADA'S BUILDING DESIGN, DEVELOPMENT AND CONSTRUCTION MARKET

Each issue, *Building* magazine's stories explore the critical topics, trends, challenges and strategies shaping modern, innovative city building and urban development. In addition to the Features listed within the Editorial Calendar (next page), look for topics appearing regularly in *Building* that cover:

- Technology
- Green Building
- Legal
- Finance
